

eCommerce

In today's marketplace, shopping and purchasing over the Internet has become commonplace. There are few consumers out there that have not found the ease and convenience of shopping online.

As for your specific business, if you are not already online, why not? If a payment solution is your outstanding issue, look no further. MCPS has the experience to expand an existing online business as well as to start a budding Internet shop. Remember that online you have the capability to be as big as you want to be - your market has expanded far outside your local borders and no longer is your store's physical space a visual deterrent to customers.

With Merchants' Choice Payment Solutions, your orders may be taken via telephone, mail order, or online. It is your choice how to compete in your industry, but all the options are available to you through MCPS. Just as in your retail store, being a retailer requires focus on customer satisfaction which means creating value, convenience, and developing the consumer's need to keep coming back.

Merchants' Choice provides all the payment options you and your customers need at a competitive rate that you can agree with, including:

- Retail
- Restaurant
- Government
- Supermarket
- Convenience Store/Gas Station
- Mail Order/Telephone Order
- eCommerce
- Wireless

MCPS offers business owners the following expanded services:

- Full range of merchant supplies
- [Online account transaction activity details](#)
- Cash Advance Program where you can apply extra cash to expand your business, buy new inventory, or complete an ongoing project.
